

## Volunteer Application Form

Santa Barbara Bird Sanctuary is a 501(c)(3) nonprofit organization dedicated to the rescue and rehabilitation of injured, orphaned, abused and abandoned parrots and companion birds. In addition, we act as a resource within the community to help promote responsible bird ownership through education and owner support.

Both the birds and humans greatly appreciate volunteers. We depend on you arriving as scheduled. We will do everything possible to make your volunteer time rewarding by spending time socializing and playing with the birds in addition to other regular and necessary Sanctuary duties.
