Volunteer Application Form

The Santa Barbara Bird Sanctuary is a 501(c)(3) nonprofit organization dedicated to the rescue and rehabilitation of injured, orphaned, and abandoned parrots. In addition, we act as a resource within the community to help promote responsible bird companionship through education and owner support.

Volunteers play an important role at the Sanctuary that is appreciated by both birds and humans. There are many ways to help, so please let us know what you're good at and we will find a way for you contribute!

We want make your volunteer time rewarding, so we often have volunteers do multiple jobs within a shift. Jobs might include socializing birds, greeting Sanctuary visitors, cleaning chores, fundraising calls on behalf of the sanctuary using a script, photography, writing, video post-production...just about any skill you enjoy, we can put to work for our Flock!
